**Home Address:** \_\_\_\_\_

Tevelde and Co. roofing (“Company”) hereby warrants to the property owner (“Owner”) that the roof installation completed on \_\_\_\_\_ (“Installation Date”) will be free of workmanship defects for seven (7) years starting on the installation date. Said warranty is only for workmanship and is not effected by and will not exceed the material warranty provided by the manufacturer. Company will not be liable for structural or roof damage resulting from normal wear and tear or from weather-related issues (including, but not limited to, ice or hail damage, rain, foreign objects, and high wind). Other miscellaneous issues will also not be covered (including, but not limited to, infestation, bacteria, fungus, UV damage, rust, corrosion, and wood/metal decay). Company will not be liable for consequential, incidental, and/or special damages. This warranty is given instead of any other implied, constructive, and/or express warranties of any kind and fitness for a particular purpose. It is also limited to the duration of the aforementioned warranty period and will only apply to customers that have paid any monies due according to the terms of their agreements with the Company.
